ONLINE DONATIONS

Visit <https://pledgestar.com/terralinda> to set up your own personal page and share with your friends and family! Credit card processing is available. Follow the simple instructions to set up your online fundraising tracker:

- Go to <http://pledgestar.com/terralinda> and click "Not Registered For This Year's Event"
- Enter your name and email address, then click "Submit"
- Follow the instructions on-screen to register students

When you finish, the system emails pledge requests to your family and friends and allows them to make secure credit card donations online. You get notified each time a pledge is made, and you can track your pledge progress online. Pledgestar automatically emails a tax receipt to donors. Call 1-888-598-7510 if you need help.

Note: if all your fundraising takes place on Pledgestar you do not need to turn in this paper envelope. We only need this envelope back to turn in cash, checks, track direct company website donations and expected company matches.
